1. This draft and its goals, objectives and other areas seems acceptable in general, but the draft would be more comprehensive, if the types the organized crimes are stated distinctly
Eg: how the center in going to tackle narcotics related crime
2. The time duration mentioned in the UNODC agreement seems reasonable enough. There is an existing MoU between Maldives Police and the Sri Lankan Police Force on combating Transnational Crime. It has already been signed for additional two years (2017-2019).

Subject: Stakeholder meeting held on 16th August 2018 to discuss the SARICC Agreement

Dear Shinaza,

With reference to our telephone conversation earlier today, please find below the highlights of the meeting held at the Ministry of Foreign Affairs on 16th August 2018.

The purpose of the meeting was to discuss the establishment of the South Asian Regional Intelligence and Coordination Center for Organized Crime with the relevant stakeholders, in order to expedite the Government ratification of the agreement.

The meeting was attended by relevant officials from the Ministry of Home Affairs, the Attorney General's Office and the Maldives Customs Service

Speaking at the meeting, Additional Secretary, Mr. Javed Faizal highlighted the importance of signing the agreement at the earliest in order to utilize the funding granted by UNODC and the Government of Japan. Mr. Ismail Handhoo, Chief Superintendent of the Maldives Customs shared his experience in attending the Experts meetings held in New Delhi to discuss the agreement between the Member States and also stressed on the importance of sending the Government approval as soon as possible

In discussing the letters sent by the Ministry of Home Affairs on 11 July 2018 (Letter ref: 10-E/25/2018/22) and on 07th May 2018 (Letter ref: 10-E/25/2018/14) forwarding the Legal opinion of the Attorney General's Office, the participants agreed to complete all formalities stated by the Attorney General's Office prior to the signing of the agreement. Furthermore, Mr. Javed stressed that it would be difficult process to add any additional comments at this stage when some Member States have already agreed to sign the agreement. Moreover, circulating additional comments would take a long period and complicate the process. Hence, all stakeholders agreed that the Government would not add any new inputs to the agreement, but would rather sign the agreement as circulated by UNODC after the national legal formalities are completed

Officials from the Ministry of Home Affairs agreed to communicate to the Ministry of Foreign Affairs after the completion of the legal formalities stated by the AGO. It was specified that the Ministry of Home Affairs, as the national focal point of the project, would seek comments from stakeholders and would obtain necessary approvals from the President's Office and the People's Majlis

Best Regards

Moomina
